- 3.18 For all advertised teaching or non-teaching staff, job requirements and duties will be further defined in relation to the principle associated with child safety.
- 3.19 All applicants must provide the essential and relevant qualifications, experiences and attributes in relation to child safety. This should also include proof of personal identity and any professional or other qualifications.
- 3.20 Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of the School's Child Safety Policy & Code of Conduct.
- 3.21 We actively encourage applications from Aboriginal peoples, people from culturally and/or linguistically diverse backgrounds and people with a disability.

- 3.22 All staff engaged in child-related work, including volunteers, Homestay parents and Student Care Assist are required to hold a current Victorian Institute Teaching (VIT) registration reflecting a national criminal history record check (NCHRC) or Working with Children Check and to provide evidence of this Check. Please see the Working with Children Check website www.workingwithchildren.vic.gov.au for further information.
- 3.23 We carry out reference checks and police record checks to ensure that we are recruiting the right people. We ensure that we obtain the person's history of work involving children and references that address the person's suitability for the job and working with children.
- 3.24 Our Homestay and Student Care Assist selection process is also subject to same procedures.
- 3.25 Police record checks are used only for the purposes of recruitment and are discarded after the recruitment process is complete.
- 3.26 We do retain our own records (but not the actual criminal record) if an applicant's criminal history affected our decision-making process. If during the recruitment process a person's records indicate a criminal history then the person will be given the opportunity to provide further information and context.
- 3.27 New employees and volunteers will be supervised regularly to ensure they understand our School's commitment to child safety and that everyone has a role to play in protecting children from abuse, as well as checking that their behaviour towards children is safe and appropriate.
- 3.28 Any inappropriate behaviour will be reported through appropriate channels, including the Department of Human Services and Victoria Police, depending on the severity and urgency of the matter.
- 3.29 Holmes Grammar School provides its employees and volunteers with regular and appropriate opportunities to develop their knowledge of, openness to and ability to address child safety matters. This includes:

Risk Management

- 3.31 Holmes Grammar School is committed to proactively and systematically identifying and assessing risks to student safety across our whole school environment, and reducing or eliminating (where possible) all potential sources of harm.

- 3.32 The implementation, monitoring and periodically review on the School's risk management strategies for child safety will be documented.
- 3.33 The review will ensure that the strategies change as needed and as new risks arise. This includes risks posed by the physical environment of the college as well as online environments (for example, no staff or volunteer is to have contact with a child on social media unless the administrative responsibilities are governed by the college and is integral to the student accessing the curriculum).

Fair procedures for personnel

- 3.34 The safety and wellbeing of children is our primary concern. We are also fair and just to personnel. The decisions we make when recruiting, assessing incidents, and undertaking disciplinary action will always be thorough, transparent, and based on evidence.
- 3.35 All allegations of abuse and safety concerns will be recorded in the Incident Reporting Form1, including investigation updates.
- 3.36 All records are securely stored. If an allegation of abuse or a safety concern is raised, we provide updates to children and families on progress and any actions we take as an organisation.

Privacy

- 3.37 All personal information considered or recorded will respect the privacy of the individuals involved, whether they be staff, volunteers, parents or children, unless there is a risk to someone's safety.
- 3.38 The safeguards and practices are in place to ensure any personal information is protected. Everyone is entitled to know how this information is recorded, what will be done with it, and who will have access to it.

Allegations, concerns and complaints

- 3.39 The School takes all allegations seriously and has practices in place to investigate thoroughly and quickly. Our staff and volunteers are trained to deal appropriately with allegations.
- 3.40 We work to ensure all children, families, staff and volunteers know what to do and who to tell if they observe abuse or are a victim, and if they notice inappropriate behaviour.
- 3.41 We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place (see information about failure to disclose above).
- 3.42 If an adult has a reasonable belief that an incident has occurred, then they must report the incident. Refer to Reporting Sexual Abuse Policy for further information.

Breach of Policy

- 3.43 Where an employee is suspected of breaching any obligation, duty or responsibility within this Policy, Holmes Grammar School will deal with the matter in accordance with its policies and procedures. Staff are advised this may lead to disciplinary consequences.

- 3.44 Where the Principal is suspected of breaching any obligation, duty or responsibility within this policy, the concerned party is advised to contact the Director International. Relevant notification should also be made to the Department of Education and Training.
- 3.45 Where any other member of the school community is suspected of breaching any obligation, duty or responsibility within this policy, the School is to take appropriate action, including contacting the Department of Education (Conduct and Ethics Branch and Legal Branch) and Department of Human Services (DHS).

Policy Review

- 3.46 At Holmes Grammar School we are committed to continuous improvement of our child safety systems and practices.
- 3.47 We intend this policy to be a dynamic document that will be regularly reviewed to ensure it is working in practice and updated to accommodate changes in legislation or circumstance.

4. Relevant Legislation

- a. *Children, Youth and Families Act 2005* (Vic.)
- b. *Working with Children Act 2005* (Vic.)
- c. *Education and Training Reform Act 2006* (Vic.)
- d. *Equal Opportunity Act 2010* (Vic.)
- e. *Privacy Act 1988* (Cth)
- f. *Crimes Act 1958* (Vic.)

Three new criminal offences have been introduced in the Crimes Act 1958 (Vic.):

- a. **Failure to disclose offence:** Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
- b. **Failure to protect offence:** The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
- c. **Grooming offence:** This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.
